THE FALCON CLUB OF AMERICA, INC. is a non-profit organization dedicated to preserving the Falcon automobile built by the Ford Motor Company from 1960 to 1970. The FCA was founded by Roy Sword in 1979 and is incorporated under Arkansas state law. Yearly dues to The Falcon Club of America are \$30. (\$35 for Western Hemisphere, \$45 for international members offshore, payable in U.S. funds) and are payable to: The Falcon Club of America, P.O. Box 113, Jacksonville, AR 72078-0113. *The National Falcon News* is published monthly with information submitted by members. All copy and advertising for *The National Falcon News* should be sent to the Editor, Janet Wilkerson, 22806 Bradford Ln. Ct., Blue Springs, MO 64015. Please mark "FCA" on outside of envelope. E-mail address: fca.editor@yahoo.com. No phone calls or faxes for Falcon Club business, please.

President's Message: Cliff McKay

Oh My, how time does fly...like a Falcon. It's nearly the night before Christmas already and in my workshop not a Falcon is stirring. All are fast asleep for the winter. Hopefully, many birds will be getting some well-deserved TLC this winter. Can you believe it is already here...the Christmas season that is? Have you already tucked away your Falcons in their

nests for the winter? Now you have to get out there to "shop 'til you drop," eat way too many homemade treats, and don't forget your friends and families. If you can find a way to send thanks to any of our troops still overseas I'm sure they would love to hear from you too!

I want to again make sure that all of you check out the Technical Articles and other club documents that are now available online on our FCA website as more have been added by our experienced contributing authors. The password: FCAMemberIGS is still valid to gain access.

Since this is also a time of the year to be thankful: Thanks again to the Mid-America Chapter and other contributors for all the work they put in on the 2014

Nationals in Kansas City. Thanks again also to all the chapters that hosted Regionals in 2014. Many kind thanks to our FCA Store gals for all their work each and every year. Thanks to all our FCA officers and their families for keeping us all organized and enjoying the FCA philosophy.

I highly recommend that you start planning that trip to attend next years 2015 Nationals in Warwick, Rhode Island. Check out the 2015 Nationals website, take a look at what the New England area has to offer, and submit your suggestions. Also remember that the earlier you send Northeast Chapter your event registration and make hotel reservations the better they can plan and fund the events for us all to enjoy.

Remember to not only take kids to car shows, but help them when you can if they get into a Falcon of their own. Maybe a "Christmas Falcon" or that much needed part found under the tree for those who have been extra good this past year?

Take care and enjoy the 2014 Christmas Season with lots of fun with your family, friends, and Falcons. Your online FCA Store has great presents for Santa to deliver too. Have a wonderful Christmas holiday season cruisin' in those fabulous Falcons as your local weather permits—for some of you lucky folks anyway!

Letter to the Editor

I was pleasantly surprised to find out there is an active Ford Falcon Club of America. My father was a teacher of English and in 1961 we moved to California for a year on the Fullbright Exchange Programme for teachers. You can't imagine the impact this event had on an eight year old Dutch boy, coming from Europe which was only just recovering from the war, to a warm, sunny clime where we had our own pool in the backyard, a huge refrigerator and a built-in blender for homemade milkshakes. Unheard of!

Best of all were the cars. My parents bought a brand-new one: a white 'fordor' Falcon. It took us all over Southern California and once up to San Francisco. And, when the schoolyear ended, we went on a very long trip down to Mexico City, from there up to Texas and then on to New York City where the car accompanied us back to Holland on the Statendam/Holland-America Line.

We had the car until 1968 and it took us all over Europe, especially Spain, which had not yet been discovered by the tourist masses. It was a sad day for our family when we traded the Falcon in for a much smaller British Cortina. I still cherish the U.S. license plates and some parts that were kept like a spare thermostat.

Out of sheer nostalgia I recently bought on our Dutch version of eBay an early August 1961 brochure of the 1962 Falcon and was surprised to see lots of pictured models having the lower rear panel painted a different color from the rest of the body. I have never seen a 1962 Falcon with that feature. Was it a trim the factory dropped later on, when the 1962 model was actually built?

Sincerely,
Arthur de Vries, Oirschot, the Netherlands

December Update

We've been working hard to get things set up for the National Show in Warwick, Rhode Island, July 9–11, 2015. First I have to apologize for those of you that received your applications at the National Show in Kansas City this summer. I made a mistake on the price of the hotel rooms. I guess it was wishful thinking since I listed the price as \$115 per night. The price is actually \$119 per night. This rate includes a full breakfast each morning. When making your reservations please be sure to mention the Falcon Club, Group Code FBF, whether you are registering by phone or online. If you don't use this code the hotel shows no rooms are available. I would suggest making your reservations soon. I know they have had many registrations come in already.

A trip to Factory Five Racing in Massachusetts on Thursday morning, July 9, 2015 is planned. We will also be holding our Ladies "Tea By The Sea" on Thursday afternoon. The cost of the Tea is \$20 per person. Checks made payable to Northeast FCA, can be mailed to Cristine Bowes, 245 South Main St., Coventry, Rhode Island 02816.

We also have planned a bus trip to Newport, Rhode Island and a visit to The Breakers Mansion on Friday morning, July 10, 2015. The cost of the Newport trip is \$30 for adults and \$20 for children. This fee includes a tour of Newport, admission to the Mansion and the cost of the bus. On Friday afternoon there will be a bus tour to and wine tasting at Jonathan Edwards Winery in North Stonington, Connecticut. The cost for the winery, including the bus, is \$25 per person. Checks, also payable to Northeast FCA, for the Newport Trip and/or the Winery Tour can be mailed to Denise Warburton, 740 Tunk Hill Road, Hope, Rhode Island 02831.

There will be a cruise to a local beach on Thursday night, a pizza party and ice cream social on Friday night. We are doing our best to make sure you have a good time while you are here. Come early, visit Rhode Island and the neighboring states and make a vacation to remember. Be sure to check out our website, NortheastChapter.com for updates.

HOW TO ADVERTISE IN THE NATIONAL FALCON NEWS

Email your classified ads to: fca.editor@yahoo.com

VERY IMPORTANT! Please punctuate and capitalize correctly. The time saved by email is wasted when every word of the message has to be corrected. See example below. Many thanks to those observant folks who read the ads, see how they are formatted, then send in their ad to fit the formula. This is a great time saver and much appreciated. Please use dollar signs! (\$).

Make your ad look like this:

1964 Falcon Futura. Some rust on floor pans. Needs restoration. Excellent glass and trim. \$2000 OBO. Joe Falcon, 555-555-5555 or 123falcon.com. PA.

Not like this:

' 64 ford falcon Futura fr sale .sum rust on flr pans , needs restored ,excellent glass and trim. \$ 2000.00 o . b .o . Call Joe falcon at (555)-555 5555 or email me at 123falcon.com. Eastern Pennsylvania

To Advertise: FCA members are entitled to two free ads per issue (limit 50 words per ad). Each ad must appear in a different section of the Classified Ads. Additional ads per category are \$10 each. Ads with photo are \$20 and will run for two months. Please keep the text close to 50 words. Ads over 50 words may be edited for length. The FCA will not be held responsible for errors. Legitimate errors will be corrected in the next issue when requested. All ads for the classified section must include a member's name, location and FCA # to be considered a free ad. All items advertised for sale must have a price. **Ads to run in more than one issue must be resubmitted each month.** Non FCA member ads are \$10 each. Ads must follow the same guidelines as member ads. Photo ads are an additional \$20. Payment must accompany the ad, with check payable to the Falcon Club of America.

All ads must be sent by mail or e-mail to the Editor, Janet Wilkerson, 22806 Bradford Ln. Ct., Blue Springs, MO 64015. NO PHONE CALLS OR FAXES FOR ADS — NO EXCEPTIONS! If you have Internet access, please email ads to fca.editor@yahoo.com. If you send your ad by snail mail and include an email address, the ad will run but the email address will not. Please email your ad to insure that the email address is included with your ad. Photos may be emailed and payment mailed to the address above. Ads must be received by the 20th of the month two months before publication (July 20 for September issue). The FCA reserves the right to refuse advertising from any person or business.

**ALL ADS MUST INCLUDE YOUR LOCATION.
IT'S GOOD TO KNOW WHAT TIME ZONE YOU'RE CALLING.**

NOTE NEW DEADLINES!

Classified Ad deadlines are now the 20th of the month two months preceding publication (Feb. 20 for April issue). Please send your ads and photos by email if possible.

2014 FCA National Meet

A special thank you to FCA Senior Correspondent Rainer Hantschel, who was in Kansas City with his camera busily capturing the flavor of the National Meet. For many years Rainer has faithfully photographed FCA meets and his photo contributions to *The National Falcon News* are valued greatly. They portray a diverse view of the cars, the people and the events at the 2014 Nationals.

Mason-Dixon Memories From Kansas City

By Phil Barber (FCA # 1581)
Photos by John Upton (FCA # 14118)

The 2014 FCA National Convention is behind us, but the memories will linger on for some time to come. It was a time for good friends from all over the country to come together and tell stories from the year past. In the beginning these conventions were primarily to show off Falcons, buy parts from the vast array of vendors, go to the awards ceremony, and go home with some “gold”—hopefully. Well, it seems that for almost all the “old timers” in this club it is no longer that way. Now it seems like there are many main attractions—the migration with its dinner parties along the way, stores under tied-together canopies well into the evening, day trips to events, valve cover races and the Ladies High Tea Party. Valve cover racing—an event that started some years ago to mainly occupy the children during voting on Saturday—has become a really big thing with a lot of our adults. Lately the ladies have really grown into it. This year was no exception and our Mason Dixon chapter ladies have included their own stories.

Mason-Dixon lady racers show off their valve cover race cars.

Valve Cover Racing

We have always thought about building valve cover racers. With the kits to build one at home, they never seemed to get around to it. At this year's FCA Convention in Kansas, Johanna with her husband John, and Cindy with her husband Ed were leaving the registration room when they saw Steve Springer, Wally Niemann and others setting up the valve cover race track. These club members were also putting out the needed supplies to build the racers.

Johanna and Cindy could not pass up the opportunity to build their “dream” valve cover racers. They seized the moment. Johanna selected a red valve cover to match their 1962 Falcon sedan. Cindy selected a gold valve cover that reminded her of the valve covers on their 1965 Falcon convertible. They built the basic racer by the racetrack under the tutelage of Steve Springer and Wally Niemann. Then Johanna and Cindy went to their respective hotel rooms to finish fine tuning the racers for the women's event. When they went to dinner that evening, they stopped at a craft store and purchased stickers to characterize their racers. Johanna's racer was embellished with a Las Vegas theme, and she named it the “Las Vegas Express.” Cindy's racer was named “The Golden Girl” only because it is gold—age had nothing to do with it! She is a musician so she embellished hers with musical stickers.

Saturday was race day. We didn't have any great expectations of winning, but “girls just want to have fun.” Eventually the fun turned to competition. Johanna placed first in individ-

ual, Cindy placed second in individual and Diane Varricchio placed third in individual—a full sweep of the women's races by Mason-Dixon Chapter members. Johanna also represented our chapter in the Chapters Category and placed first again.

Our racers, along with Diane's are carefully stored awaiting next year's competition in Rhode Island. Look out girls, here we come!

Lady Racers and Tea Parties

I was introduced to valve cover racing while visiting Pat and Diane Varricchio. Diane showed me her vehicle, I was excited to try it. Having raised three boy scouts, I watched numerous Pinewood Derbys. Now is my chance to be a racer, not just a bystander. My terrific husband, Bruce, cleaned up a valve cover and was allowed me to use his professional car painter to make it just the color I wanted—Plum Purple. Base and wheel colors were chosen, with Bruce offering excellent suggestions and assistance.

I wanted a theme that represented me and I have always been a “dress up” girl so I chose *Fancy Nancy* from books of the same name. The little girl in the book is always dressing up herself, her doll, dogs and others. I used a few of *Fancy Nancy's* favorite things—boas, ice cream, cupcakes, and Little Nancy holding her wand. I used Diane's great idea of a fleece cover; mine was purple with ice cream cones, making its travel to convention safer.

It was so fun to meet the other girl racers. As one who has nominal mechanical aptitude, I appreciated the ladies with experience since it was a challenge to try to figure out the mechanics of the track. The races were exciting for us and the laughter priceless. I can't wait until the next one. The *Fancy Nancy* valve cover and her crew will be back with improved mechanics, updated decor, and of course, new outfits.

The committee did a tremendous job with the Friday Tea Party, combining fun, delightful decor, great activities and new friends. We loved It!
